Illinois State University is an Equal Opportunity/Affirmative Action employer.

Minority/Female/Disability/Veteran

Feedworks USA, Ltd., marketing highly successful specialty feed ingredients on an exclusive basis within USA is seeking a highly motivated individual for the position of Technical Feed Ingredient Sales – predominantly Dairy/Beef.

Due to rapid growth in sales of Feedworks portfolio of ingredients, there is an immediate need for an experienced Technical Feed Ingredient Sales person, predominantly into the Dairy/Beef industry to join our Team. The successful candidate will cover the TX and NM area.

Responsibilities:

Manage the Territory to Increase Sales through:

- Interaction with nutrition consultants, feed businesses, dairies and beef units;
- Prepare and present power point presentations to various groups
- Help to set up commercial trials to evaluate feed ingredients
- Help to review all data obtained to determine best way to market in Territory
- Assist with various other projects related to nutritional aspects of the feed ingredients
- Attend trade shows and be available to interact easily with clients and prospective clients
- Help to publish newsletters concerning ingredients and how they benefit end users

Qualifications:

Excellent relationships and existing contacts with the potential customer base in the Territory is considered most important. The candidate will likely have a qualification (Ph.D. or Degree) in Animal Nutrition and certainly have a good understanding of Dairy/Beef Feed Management. The individual has to be self-motivated and capable of working on their own but with a strong support staff to back them up. Feedworks USA, Ltd. is a fast growing company representing overseas companies on an exclusive basis within the USA. Headquartered in Cincinnati, OH, Feedworks USA, Ltd. is a privately owned company and looking for continued rapid expansion within the USA. We provide an excellent benefit package without limit to your potential opportunities. For more information and to apply please send details to info@feedworksusa.com

Extension Educator

As part of Michigan State University Extension (MSUE) and the Agriculture and Agribusiness Institute, this position will provide local as well as statewide leadership and educational programming expertise in program areas related to the pork industry. This position will be located in Gratiot County, Michigan.

Master's degree from an accredited institution in a field of study related to swine production and management must be earned by date of hire.

To view the full position description and required qualifications, visit the Michigan State University careers page (internal or external candidate) as noted under the To Apply section. Search for posting number 469140 using the Job Search field.

Applicants are asked to provide a current resume/CV, cover letter and four (4) professional references.

This position is a full-time, end-dated appointment renewable annually based upon successful performance and continued funding.

Application deadline is November 19, 2017. Contact for Questions msuehr@anr.msu.edu
