AB Vista NAFTA Marketing Coordinator

We're looking for an ambitious NAFTA Marketing Coordinator to join our team in Plantation, Florida. Reporting to our NAM Marketing and Canada Sales Manager, your role will involve the development of innovative solutions to deliver professional marketing support across our product and service portfolio.

This position joins at a crucial time as we are a growing business. Responsibilities include:

- Delivering our marketing plan for our company products and services, using the most suitable and cost-effective methods.
- Working with the Marketing Manager to develop and design an annual marketing plan.
- Evaluating the NAFTA annual marketing plan in conjunction with the marketing, sales and technical teams.
- Benchmarking effective marketing strategies from competitors.
- Achieving frequent, timely and positive external coverage across all available media.
- Working with other internal marketing teams to support, develop and implement company-wide initiatives and campaigns.
- Working with Operations and Regulatory teams to check our brand is represented correctly on all materials, including product labels and quality of materials.

This is a role covering our product sales in North America and Mexico, so occasional travel to relevant trade shows is required. We need fluency in English and minimum basic Spanish.

Please note that in order to apply for this job, you must already have the ability to work in the USA without requiring further immigration sponsorship.

To find out more, please visit: www.abvista.com

AB Vista profile

AB Vista is an animal nutrition technology company offering pioneering products and technical services to the global animal feed industry. Since its establishment in 2004, AB Vista has grown to be a top-three player in feed enzymes and is also one of the largest suppliers of natural betaine to the global animal nutrition industry. The company invests heavily in research and development and has a growing portfolio of products and services spanning the poultry, swine, ruminant and aquaculture sectors. AB Vista is headquartered in the UK, with regional offices located in the USA, Brazil, Singapore, Spain, India, China, Germany and Finland. AB Vista is part of AB Agri, the agricultural division of Associated British Foods, one of Europe's largest food & retail companies with a market capitalisation of £26 billion.
