Description: Nutra Blend LLC is an industry leader in manufacturing and distributing quality vitamin, trace mineral, micro-ingredients, and antibiotic premixes for the feed industry.

Qualifications: The Labeling and Regulatory Manager, Quality Assurance has the primary role of overseeing compliance with local, state and federal agencies which regulate the sale and distribution of animal feeds and medicated animal blends/feeds for three blending facilities. Additional functions include diet formulation, generation of work orders and tags for manufactured products.

Regulatory: Oversee and/or responsible for the VFD process and to ensure regulations are met, facility (medicated feed mill licenses) registrations with FDA, EPA reporting for all facilities and EPA product registrations; manages regulatory correspondence and stop sales on products.

Labeling: Responsible for the oversight, development and training of product labels to ensure they meet local, state and federal regulations/guidelines.

Formulation: Manage and assist the Neosho formulation team with new formulations or existing formulations that relate to bids, new blending opportunities, activation and deactivation of new/existing formulas. Assist/manage new ingredient set ups.

Manufacturing support: Provide support and guidance in premix/product complaints, ingredient substitutions, production trouble shooting areas. Lead assigned projects in continuous improvement projects, approve invoices for lab testing, printing of labels, etc.

Required: Bachelor or higher in Agriculture, Animal, Food or Feed Science
Four or more years of progressive quality assurance experience; knowledge of regulatory requirements (FDA, State) and preventative quality systems
Experience implementing Quality systems

Strong analytical problem solving/root cause analysis skills
Knowledge of Feed Formulation

Management experience
Experience with labeling including AAFCO

Preferred: Brill experience and Multi-species experience

EOE M/F/Vets/Disabled. Land O'Lakes, Inc. enforces a policy of maintaining a drug-free workforce, including pre-employment substance abuse testing.
